## **Administrative Responsibility**

School Representative Must Accompany Team. Compliance required. In the case of a “club” team in which the Board of Education does not provide or require an “authorized” representative to accompany a team, a designated, responsible adult as assigned by the sponsoring bowling center must accompany the team to Maine High School Bowling (MHSB) competition.

## **Student Eligibility**

Amateur. A player who is a high school student and has not purchased an adult USBC card will be considered an amateur.

Academic. A player’s eligibility will be based on each school’s varsity sports eligibility guidelines.

Dual Sports. Bowlers must meet minimum eligibility requirements to participate in regional and state competitions. If schools have stricter participation standards, the school’s standard will be followed for that school. Eligibility for regional and state participation is contingent on the student’s participation in practices and scheduled matches. The student must participate in at least 50% of all practices sessions and 75% of all scheduled matches as a varsity or JV bowler.

The Purchase of Memberships: USBC YOUTH membership or membership in any private bowling organization shall not be required to participate as a member of an MHSB Team.
