M.I.S.T. #7, 2013 – 2014 SEASON

SPARETIME RECREATION, LEWISTON, ME.

Hello bowlers, and welcome to the final recap to our last tournament of the 2013 – 2014 M.I.S.T. bowling season. It has been a record shattering year for the M.I.S.T., and thank you everyone for your support of the tournament again this season. I would like to give a big shout out to ALL of our sponsors this season. First, Brunswick Bowling, for committing to our grass roots scratch tournament here in Maine, and their donation of a raffle ball to each and every tournament has been great not only for our prize fund, but to get the best equipment on the market in the hands of our bowlers. Thank you to Kevin Tabron, Brian Graham, Parker Bohn III, and everyone at Brunswick for your dedication to the Maine Invitational Scratch Tournament. We hope to have you back on board next season and beyond. Also, thank you to Moore's Pro Shop, and in particular the shop owner Scott Moore. Moore's has been with us since the beginning back in 2009, and I can not say enough good things about the type of shop they are, and the type of person Scott is. They are the biggest and best pro shop in the state of Maine, and their commitment to bowlers and this tournament is second to none. Thank you once again Scott, and please bowlers, check out Moore's Pro Shop for your next purchase, you'll be glad you did. Lastly, I would also like to thank John Bovoy and Bowl Pro Sales for their second year of sponsorship. John donates a large bottle of Knockout premium bowling ball cleaner to give to one of our lucky bowlers each month, and our bowlers look forward to that drawing at the end of each tournament. We use Knockout cleaner at Moore's Pro Shop, and recommend them highly for your bowling ball cleaning needs. Check them out on Facebook, and contact John Bovoy of Bowl Pro Sales to get your bottle of Knockout cleaner today.

Our last tournament brought us to Sparetime Recreation in Lewiston, ME., on March 9, 2014. I would like to thank Tom Giberti and his staff at Sparetime Recreation for helping us to run a smooth event at their bowling center. We used the U.S. Open oil pattern, a 1:1 ratio, 40ft. pattern which really offers the toughest test of skill and shot making in

bowling. We had a record number of entries with (57), which meant we would have a position round game and take (14) cash qualifiers. Here are the results of the 4-game qualifying block, with the cut denoted by a "—":

2) Calvin Hinkley – \$330 / 250

Congratulations to Steve Closuit for winning his first ever M.I.S.T. title. Steve did a great job all day, bowling very consistent game to game, which was crucial on this tough U.S. Open oil pattern. Steve got out to an early lead against Calvin Hinkley, who was competing in his first ever M.I.S.T. tournament, and never looked back. A great job by both bowlers in this title match, and a fitting way to end the 2013 – 2014 M.I.S.T. season. Steve earned \$450 for his 1st place finish, as well as 300 Bowler of the Year points.

1) Steve Closuit – \$450 / 300

Also, I would like to congratulate Joe Ramsdell III on clinching his 2nd straight Bowler of the Year title. Joe bowled great all season, and even though he could not be there at the M.I.S.T. this month, he was still able to clinch the title. Great bowling this year Joe and I am sure he will be looking to make that a three-peat next season. Bowlers, thank you once again for a great 2013 – 2014 season for the Maine Invitational Scratch Tournament. I am already in the planning stages for next season and have some interesting ideas and tweaks planned, so stay tuned for any and all announcements in the coming months. Also, if you have any questions or comments please feel free to ask. I am always available to speak with bowlers about anything you want, good, bad or otherwise. This tournament is run for you, the bowlers, and I want to make this tournament something you can be proud to compete in each and every month. We're not perfect, and I appreciate everybody's patience when the rare mistakes or issues come up, so thank you for that and rest assured we try and keep those to a minimum. I will have a final 2013 – 2014 Bowler of the Year standings on a separate report. Have a great summer everyone and I look forward to seeing you back in the fall!
